I don't want to take you away from completing the reviews - but I'll call you at 3:30 should be a short call. Thanks!

If you want we could talk at 3:30. I'm trying to respond to the verification reviews now and would like those done before today.

I am in Boothwyn tomorrow morning for the OSC meeting (are you going?). I will be on vacation Thursday (4/5) thru Friday (4/13). Robin Costas is my backup for the Dimock data reports. Fred is out of the office this week but will be in the office next week. I'll have my blackberry too...

Hi Cindy -

Last week you mentioned that you will be on vacation soon. Wanted to touch base with you beforehand to make sure we know when you'll be away and who will be covering for you.

Thanks for following up on HQs comments on the week #2 data reports. We should be all sent to roll-out week #2 as soon as we get the green light.

However - I believe that we are still working on finalizing the week #3 data. I will check with **Ex. 4 - CBI** regarding the status of her reviews. I believe we are waiting for some feedback regarding the initial review.

In general, I am hoping to wrap up as many loose ends as possible before you head out.

I have time to talk today or tomorrow - let me know what works for you.

THANKS - Kelley
